OPEN PICKLEBALL: Pickleball is a fun, fast-growing sport similar to tennis and badminton. Two-player teams use light-weight paddles to volley a wiffle ball over a low net. Open play is for all skill levels. Some loaner paddles are available.

OPEN GYM BASKETBALL: During open gym basketball hoops are available to shoot around. Court space is shared for all age levels so be courteous of your surroundings. Staff may restrict full court games during open gym due to heavy gym demand.

SILVER SNEAKERS: This program is designed to provide a fun and challenging way for you to continue the lifelong journey of holistic health. The program is easily personalized to address multiple fitness levels and differences in health needs. A variety of equipment and techniques will be used in this program. Chairs will be used for some of the exercises and will be available to you as necessary to work toward improved strength and endurance. If you use a wheelchair, you will find this program adaptable to your specific needs.

SILVER SNEAKERS YOGA: Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and a final relaxation period will promote stress reduction and mental clarity.
